

Our DMR Plumbing & Heating Customer Pledge

"Every customer, every time: everybody matters."

Our customers are very important to us, and we aim to provide a high-quality service, exceed customer expectations, and delight our customers.

We will treat you as individuals, listen carefully to you, be sensitive to your needs and take ownership of requests and problems so that you can be confident that someone is dealing with your issue.

What customers can expect from us at DMR Plumbing & Heating

We will:

1. Be friendly, polite, helpful, attentive, and considerate at all times
2. Provide clear and accurate information
3. Use plain English and avoid jargon or technical terms
4. Be open and honest about what we can and cannot deliver
5. Get back to you when we say we will, and advise you of our progress when we are taking longer than anticipated to address any requests or issues.

We always aim to get it right the first time, every time, so that we don't have to keep revisiting your premises/property, and you don't have to contact us repeatedly regarding the same issue.

We aim to ensure we understand the real problem. Not only help to fix it but also to ensure that we get to the root cause of the issue to avoid it happening again. We always promise to make it easy for you to contact us and to respond to phone calls, emails, letters, and other requests for service as quickly as possible. Our priority is always to deliver a quality service, which can take time. We will do everything we can to keep in contact with you; if it is necessary to do so, and keep you informed of any progress. If we have no choice but to pass your enquiry on to someone else, we will inform you who will be dealing with it. We will support you to get the help you need. If your enquiry cannot be dealt with at the time you contact us, then we will ensure you know what is happening and when you can expect to receive any further contact from us. We will always make our services, office, and information as accessible as possible to all our customers
